1. A non-refundable Assessment Placement Fee is charged to each new student seeking admission to the School.
2. A non-refundable New Student Fee is charged upon admission to each student enrolling in AISM for the first time. In accordance with AISM Board Policy, an offer of acceptance requires a non-refundable confirmation deposit of \$1000.00 for each student enrolling in AISM for the first time. The deposit must be paid within 15 days of billing to secure a seat. Such payment will be reflected as credit outstanding on the tuition invoice and applied against the balance owing for the New Student Fee
3. A non-refundable Returning Student Fee is charged annually to all returning students. Full payment is due at the start of the school year.
4. Tuition fees may be paid in full or in two equal payments each semester, no later than 31 August and 31 January of each school year. Tuition fees for students enrolling throughout the year must be paid within 30 days of admission.
5. Parents of returning students will be invoiced four to six weeks prior to the established tuition due date. Payment of all school fees will be accepted in local currency or in US Dollars. The ruling exchange rate must be obtained from the business office. Such payment will be by check, direct deposit or bank transfer.
6. Parents must provide the business office proof of payment by direct deposit or bank transfer even if payment is made by a sponsoring government, organization or company. All payments are net of any transaction charges and must be received by due dates, or late charges may be assessed.
7. A full payment is required for any portion of term (school quarter) attended. Upon withdrawal, a student will receive a tuition refund for any full term of non-attendance. This refund does not apply to the non-refundable Returning Student Fee or New Student Fee. Parents withdrawing a student from the School will notify the school administration at least fourteen days in advance.
8. To maintain a student's continued placement at AISM, parents must ensure that all school fees are paid in a timely manner. Registration will be cancelled for non-payment at the end of a semester (December / June), and a student may not return until full payment is received.
9. In extraordinary cases, the School Director may with Board approval refund deposits or approve deferred payments when it is in the best interests of the School and the student to do so.
10. No report cards, records, transcripts or diplomas will be issued by AISM until all accounts have been paid in full.
